Brand New Kitchen \$16,950^{00*}

Our Keystone Select cabinet line is a high quality all wood cabinet brought directly to you from the manufacturer. There is no middle man. We pass on the savings to you.

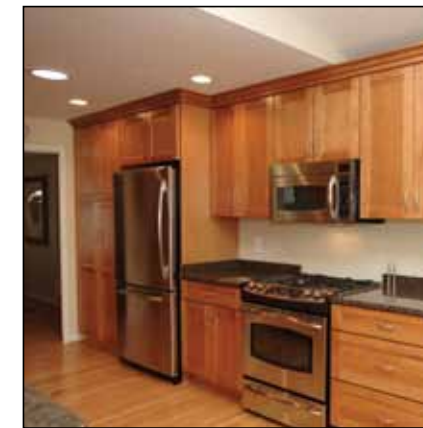

For \$16,950, let us design you a brand new kitchen. Our price includes removing your existing kitchen cabinets and replacing them with a brand new set of all wood kitchen cabinets. These are very high quality cabinets that use no particle board. You will choose from our selection of 4 different granites with a standard edge. Included in this package is your choice of three different stainless steel sinks and three different designer grade kitchen faucets. Depending on the size of your kitchen and any additional custom features you may request the price could be higher.
