Mr. Andy Riley
President
Enterprise Contracting
13944-G Willard Road
Chantilly, VA 20151

Dear Andy,

We want to thank you and your team for the outstanding work you've done on our expansion project. We were demanding and diligent in our search for a contractor we could trust and partner with, and our expectations and hopes were exceeded by your team's dedication, expertise, fairness, and attention to detail.

The professionalism and commitment your organization offered was in evidence from our very first conversation with you. You listened, offered ideas, and explained things in clear and honest language. We had concerns about living in the house during such a long project, and your commitment to minimize the disruption and to manage the project's timeline set you apart from the other contractors.

We also want to mention the outstanding knowledge, focus, and "can-do" attitude of Adze Brown, our project manager. In addition to his expertise in most, if not all, areas of construction, Adze contributed to our satisfaction and comfort by answering our questions patiently and completely, and by consistently placing our convenience and comfort first. This has continued in the "post completion" phase of the project, where your crews are correcting the small details that have come to our attention.

Our project was very well executed, under budget (except for the material and structural upgrades we made in-process), and on time.

Our neighbors, friends and relatives all rave about the way our expansion has changed the whole flow of our home, and we've enjoyed entertaining as well as just relaxing in the new space.

We have told everyone we know about the outstanding experience we've had working with Enterprise Contracting. We couldn't be happier with our selection of your firm for this project, and budget allowing, we'll come to you again for our next expansion. Thank you for operating such a quality business.

Sincerely yours,

Michael Fox and Veronica Marshall
